Governor Baker Announces Two Hour Delay for Non-Emergency State Employees

BOSTON – This morning, Governor Charlie Baker announced a two-hour delay for all non-emergency state employees due to icy road conditions and highway closures.

"The administration is implementing a two hour delay to allow road crews to treat dangerously icy roadways and to respond to several, multi-vehicle crashes," **said Governor Charlie Baker.** "We urge all drivers to exercise extreme caution as driving is very difficult due to icy conditions and to be patient as public safety officials respond to multiple incidents impacting our highways."
